

## PTEI Summer Internship Program – Class of 2009

Intern	Mentor/Research Lab Location
Ronald Bedison Community College of Allegheny County Biology/Biotechnology (Junior)	Gwendolyn Sowa, PhD University of Pittsburgh Department of Physical Medicine and Rehabilitation
Tenisha Blackwell Community College of Allegheny County Biotechnology (Sophomore)	Michelle Zuckerman, Ed.D. Allegheny-Singer Research Institute Center for Genomic Sciences
Mary Boland Saint Vincent College Bioinformatics (Junior)	Robert Parker, PhD University of Pittsburgh, Department of Chemical and Petroleum Engineering
Ashley Brown University of Wisconsin Parkside Biology (Junior)	Richard Debski, PhD University of Pittsburgh Department of Bioengineering
Barbara Byers Community College of Allegheny County Biotechnology (Junior)	Nam Vo, PhD University of Pittsburgh Department of Orthopaedic Surgery
Yvonne Goudy-Bermudez Allen University Biology/Mathematics & Natural Sciences (Sophomore)	Steve Abramowitch, PhD University of Pittsburgh Department of Bioengineering
Amanda Grady Community College of Allegheny County Biotechnology (Sophomore)	Thomas Gilbert, PhD University of Pittsburgh Department of Surgery
Christine Hall University of Notre Dame Biochemistry (Senior)	Savio L-Y. Woo, PhD University of Pittsburgh Departments of Orthopaedic Surgery and Bioengineering
Danielle Hardy Virginia Tech Biochemistry (Junior)	Kacey Marra, PhD University of Pittsburgh Department of Surgery
Katherine Hurley University of Miami Biology (Junior)	Stephen Badylak, DVM, PhD, MD University of Pittsburgh Department of Surgery
Sha'Vonne James Johnson C. Smith University Biology/Chemistry (Senior)	Bridget Deasy, PhD University of Pittsburgh Departments of Orthopaedic Surgery and Bioengineering

**PTEI Summer Internship Program – Class of 2009 (continued)**

Ryan Kammeyer Purdue University Biomedical Engineering (Junior)	Richard Koepsel, PhD Research Associate Professor McGowan Institute for Regenerative Medicine
Jazmine Loman Slippery Rock University of PA Exercise and Rehabilitative Sciences: Athletic Training/Pre-Medicine (Senior)	William Wagner, PhD University of Pittsburgh Departments of Chemical Engineering and Bioengineering
Temitope Orenuga Drury University Psychology/Chemistry (Senior)	Henry Zeringue, PhD University of Pittsburgh Department of Bioengineering
Gilbert Schaeffer Saint Vincent College Biology/Biotechnology (Junior)	Marina Kameneva, PhD University of Pittsburgh Department of Surgery
Jackie Smith University of Pittsburgh and Community College of Allegheny County Rehabilitation Science/Biotechnology (Sophomore)	Scott Tashman, PhD University of Pittsburgh Departments of Orthopaedic Surgery and Bioengineering
Kacey Streba Community College of Allegheny County Biotechnology (Sophomore)	Joerg Gerlach, PhD, MD University of Pittsburgh Departments of Surgery and Bioengineering
Rasheda Vereen Amherst College Psychology/Chemistry/Environmental Studies (Junior)	David Vorp, PhD University of Pittsburgh Departments of Surgery and Bioengineering
